

CASE STUDY

OPPORTUNITY

Having just lost their marketing personnel, MTI came to us for help in carrying out their marketing operations. We served in the roles of writer, designer, and marketing director, establishing their brand and managing over 300 projects.

STRATEGY

- Formulation of a new brand, including revised logo, brand guide, and stationery
- New ad design template
- New landing pages for each industry MTI serves: podiatry, EMT, dental, ophthalmology, plastic surgery, dermatology, and wound care
- Digital marketing campaign, including search engine optimization and PPC campaign
- Complete marketing services, including mail templates, trade show displays, electronic signatures

RESULTS

- Savings of \$120,000 in salaries
- \$250,000 increase in sales over six months
